

## Are you a trainer, teacher or working within the biocontrol field?

If answer is yes, you may be willing to help with the development of the biocontrol E-training products. We would particularly welcome your input in defining the contents of each module and/or testing the product as it is being developed.

If you are interested and would like more information about our BET project and how you can get involved please email to Vanessa ANDREU: [contact@akinao-lab.com](mailto:contact@akinao-lab.com)
