

Kwizda Agro, a company of the Austrian Kwizda Group, is a leading provider of crop protection products. Our high quality standards, broad portfolio and advisor offerings make us a valued partner of the agricultural sector and international industry.

One focus is the development and distribution of proprietary products as alternatives to chemical-synthetic products, thus serving conventional and organic agriculture.

Strengthening our registration team with focus on plant protection products we are looking for a competent

REGULATORY AFFAIRS MANAGER – AGRO (M/F)

Place of work: Austria (alternatively: Germany or Italy)

Your tasks:

- Manage Regulatory Affairs projects with focus on but not limited to biological plant protection products
- Maintain and expand the network with partners and authorities
- Develop registration strategies and submit active and product dossiers to national authorities, assuring compliance with national, European and international regulatory requirement
- Make sure the completeness of registration files, cooperating with consultants, labs and clients
- Manage pre- and post-applications requests
- Contribute to develop, steer and optimize the existing product portfolio within defined market segments, giving regulatory inputs
- Design studies and trials as well as analyse their result
- Review and validate product labels and reports
- Regulatory Surveillance, taking into account the relevant legal environment and providing regular updates on changes in relevant legislation

Your skills:

- Relevant degree in a scientific discipline as Agronomy, Biology and Chemistry
- At least 5 years of regulatory affairs experience, preferably from an international agrichemical company with good contact to national authorities.
- Experience with the relevant legal environment (1107/2009, 2019/1009, REACH)
- Good process and project management skills
- Proficiency in MS Office (Word, Excel, Power Point)
- Perfect command of English - German is a plus
- Independent, accurate, goal-oriented, systematic work style
- Strong communication skills and orientation to teamwork
- Good analytical thinking, organization and problem-solving skills
- Ability to manage multiple projects and meet deadlines

Our offer:

- Place of work:
 - Preferably AUSTRIA, 1010 Vienna or
 - GERMANY, home-office or ITALY, 40121 Bologna. In this case, we expect you to be ready to commute to Vienna at regular intervals
- Adequate remuneration, depending on your professional qualifications and experience
- Exciting and diversified function in an expanding company
