Additional Information
The conference schedule is subject to slight change until the Final Conference Programme has been published.

The conference coffee breaks, lunches and evening receptions are all organised and designed with the objective to maximise the networking opportunities and time available for delegates.

If you would like a convenient and private location in the conference hotel to host meetings with your clients/perspective clients, a limited number of private meeting rooms are available to book through New Ag International. Contact newag@newaginternational.com to book one today.

Access to all areas of both conferences is by registration only. Please wear your name badge at all times to ensure smooth access to the conference areas.

WiFi Free WiFi in the exhibition area.
